Dimensions

Part Number

R-MS5KZ/PG9

Features

- Field connectors for quick cable repairs and connections
- Metal screw terminals for a tight connection
- Perfect solution to mate cables to distribution blocks
- Compatible with devicenet block connections

Technical Data

| | |
|-------------------|---------------------------|
| Connector Type | M12 A-Coded Male Straight |
| Number of Poles | 5 |
| Cable | 6-10 mm |
| Connection Type | Screw Terminal |
| Body | PA6 + GlassFiber |
| Contact Insert | PA6 |
| Contact | Au Plated CuZn |
| O-Ring | NBR |
| Coupling Nut | ZnAl, Ni Plated |
| Rated Voltage | 60 V |
| Rated Current | 4 A |
| Protection Class | IP 67 |
| Temperature Range | -25 C - +90 C |
| Wire Gauge | 18 AWG max |
